

Derelict — Lantern shuttle — room key

Main deck

1. **Bridge**

Dark. Emergency lighting only. Viewports forward. Someone scratched a tally into the frame.

2. **Crew quarters**

Something moved in here — recently. Bunks for the crew. Lockers, most of them locked.

3. **Cargo hold**

Sealed containers. The manifest says "agricultural".

4. **Drive section**

Cold. The torch has not fired in weeks.
